

This holiday season, gift your clients with the trusted source of historical stock trading trend data. ***Stock Trader's Almanac 2016*** combines over a century's worth of data, statistics, and trends along with vital analysis not available anywhere else. Your clients will get daily and monthly reminders, alerts to seasonal opportunities and dangers, plus outlines of widely-followed historical patterns and proprietary theory and strategy. The more educated your clients are, the more transactions they will want to make.

By helping your clients stay informed of market cycles and trends, they'll:

- Forecast market trends accurately and confidently
- Discover little-known market patterns and tendencies
- Evaluate Presidential election year cycles and perspectives
- And so much more!
